

Lodge Competitions

In addition to promoting lodge fellowship and lodge spirit, the lodge competitions at a conclave can serve as model examples on how to cultivate chapter fellowship and chapter spirit. They provide an opportunity to further develop relationships between members of different lodges.

Objectives:

- Boost Overall Conclave Spirit
- Boost Lodge Spirit and Lodge Identity among a lodge's members
- Serve as model programs to increase Chapter spirit, fellowship, and Chapter identity

Required Materials:

- Competition Descriptions
- Score Tracking Sheet
- Leaderboard/Bracket Template

Tips/Resources:

Innovate! Do not do the same competitions each time. Collaborate with other sections and introduce new ideas to the competitions.
