Jamboree Stadium Show Audition Side¹

Part 1

Deliver as if you're in a football stadium. You have about 8 feet to move side to side.

Introduce yourself by clearly stating your name and Council.

Welcome to the 2017 Jamboree show! I'm (your first name) and tonight I'll be your guide for an exciting evening of entertainment, music, thrills and a few surprises. We're pleased to welcome Scouts, Venturers, Sea Scouts, Explorers and leaders from all over the United States as well as a few Scouting guests from around the world. We're here in the shadows of these majestic mountains of West Virginia to celebrate the second century of the Boy Scouts of America moving forward with strength and vision.

And now are you ready to begin the greatest campfire the world has ever seen?

Part 2

In about a minute or less tell the story of the Unknown Scout. Speak to the camera like it's one person or a small group of people. Tell it anyway you like, make it your own, tell it with no regrets.
