## DELEGATE GUIDEBOOK

*Welcome to the Section ACT Conference. Thank you for your attendance and commitment to your lodges and the OA. We are excited to welcome you for a day of training, networking, and fellowship. We gather here today at a critical time for the Order of the Arrow. Our role as a section is first and foremost to ensure lodges have the tools, talent, and template to be successful. This event has been developed in an effort to give you the resources and the curriculum necessary to help your lodge Adapt, Collaborate, and ultimately Thrive (ACT).*
