

# Someone Else

---

*Providing Resources to Support Units, Chapters, and Lodges*

With great regret, I announce the retirement of one of the lodges most valuable brothers. Mr. Someone Else has stepped down, and the vacancy he left will be hard to fill. Mr. Else has been with us for many years; he has done far more than his share of the work around the lodge. When there was a job to do, a class to teach, or a meeting to attend, his name was on everybody's lips: "Let Someone Else do it."

Whenever a committee was mentioned, he was looked to for inspiration as well as results: "Someone Else will set up the event." And when there was a trip to take, Mr. Someone Else was thought to be the best transportation: "Let Someone Else take them."

Mr. Someone Else is a wonderful person, but he is only human, he could spread himself only so thin. He did the best he could, but people expected too much from him. We have to face the fact that there was just not enough of Someone Else to go around.

And now that Someone Else is gone, we're wondering what we are going to do without him. He has left us a great example to follow, but who will follow it? Who is going to do the things that someone else did?
