THE LEGACY OF SERVANT LEADERSHIP

LIFETIME ACHIEVEMENT AWARD

The Legacy of Servant Leadership Lifetime Achievement Award was created by the National Order of the Arrow Committee in June 2002 to recognize the Order's second and third generation "Founders" – Scouters who have built an enduring legacy to Scouting and the Order of the Arrow through a lifetime of cheerful service to others. The award is intended to recognize only those extraordinary Arrowmen who have deeply influenced and significantly contributed to the vision, direction, and growth of the Order of the Arrow, faithfully demonstrated a lifetime of servant leadership, and, through their daily example, illuminated and reinforced the significance of the values found in the Scout Oath and Scout Law.

The prestige of the award requires the criteria be general in nature to allow members of the National Committee to exercise wisdom, flexibility, and discretion in the evaluation and selection of a worthy recipient. Although any past or present member of the Order of the Arrow may be nominated, a nominee must meet the following criteria: (1) Vigil Honor member; (2) National Distinguished Service Award recipient; (3) continued to render outstanding and dedicated service to the Order of the Arrow on a sectional, regional, or national level, since receiving the DSA; and (4) member of the Order of the Arrow for a minimum of 25 years.

Nominations must be received by the OA Team Leader no later than 5:00pm CST, October 31st of the year prior to a National Order of the Arrow Conference ("NOAC") and will be submitted to the Recognition & Awards Subcommittee for evaluation and recommendation to the National Committee. A nominee must be approved by 75% of the members of National Committee to receive the award and the decision of the National Committee should be made prior to NOAC. The award will be presented only at NOAC. Given the nature and prestige of the award, it is recommended that no more than one recipient be recognized at a NOAC. The award recipient will be notified prior to the award ceremony. The award may not be presented posthumously. In keeping with the nature of the award, the recognition is not a uniform piece, pin, ribbon, or other device, but will be a significant personalized recognition suitable for display in the recipient's home or office.
