

# Maury Clancy Indian Campership Fund

## Background

The purpose of the Maury Clancy Indian Campership Fund is to give Boy Scouts of American Indian heritage the opportunity to attend an approved council long-term camp program. Since the funds creation in 1971 the program has assisted thousands of Scouts in attending a council longterm camp.

Order of the Arrow lodges and sections may contribute "at will" to the fund thereby increasing the fund and allowing for more camperships to be awarded. Donations may be forwarded to the section, or mailed to the national director, Order of the Arrow.

Campership funds will be provided for a maximum of 50% of the cost of one (1) week at an official Boy Scouts of America long-term camp. The volume of requests determines the percentage of camp fee reimbursement

which could be less than the maximum (50%) allowed.

To be eligible, a youth must be recognized as being of American Indian heritage and in need of financial assistance.

Pre-approval should be obtained by submitting annually the following preliminary form by June 15th by email or mail. The form can be emailed to Matt Dukeman at Matt.Dukeman@Scouting.org or mailed to the address listed at the bottom of this form. (Attention: Matt Dukeman, National Director—Phone: 972-580-7846).

Requests should be submitted by local Boy Scout councils after the Scout attends an official BSA long-term camp.
